

PLYMOUTH AVIATION DAY

EDUCATIONAL SEMINARS - LUNCH - RAFFLES

Date: Nov 12, 2022
Hours: 10am - 3pm
Location: Plymouth Airport
246 S Meadow Road Gate 6, Hangar SW-2
Tickets: \$49

Join us for a day of fun, hangar flying, learning, and of course, lunch. This will be a great chance to reconnect with other local pilots and aircraft owners like yourself. Organized by the Plymouth Aero Club. Supported by Alpha 1 Flight School, Aircraft Owners and Pilots Association (AOPA), Goodyear Tire & Rubber, Lycoming Engines, Mike Goulian Aviation and more. All proceeds will benefit the Plymouth Aero Club scholarship program and the AOPA Foundation. Drive in or fly in - all welcome!

Our keynote speaker is Richard McSpadden - Executive Director of the AOPA Air Safety Institute, Richard leads a team of CFIs and content creators to develop and distribute free aviation safety material to advance General Aviation Safety. He's a commercial pilot, CFII, MEI with jet type ratings.
Richard's Keynote: *The State of General Aviation and More*

Breakout sessions include:

- IFR Best Practices / Prassuna Budlong, Mike Goulian Aviation CFII
- VFR into IMC / Buddy MacDonald, Alpha 1 CFII
- Tire Care and Maintenance / Mary Beth Widak, Goodyear Tire Company
- Engine Care and Maintenance / Jeff Schans, Lycoming Engines
- "The Doctor is in" / Dr. James Ross, AME
- Boston TRACON session

Optional 3:00PM Session at Cape Cod Community College
Hands-on Preventive Maintenance Procedures, Tires and Engines and 50-Hour oil change demo (max 25 people).
